

Celebrating 15 Years as a Global Risk Management Advisor

Since 2001, Klink & Co., Inc. has provided critical information and guidance to organizations by performing anti-bribery compliance services, due diligence, intellectual property investigations, litigation support, and internal and vendor investigations.

Our experienced staff in Asia, the Americas, Europe and across the globe includes former prosecutors and law enforcement agents, research analysts, security experts, forensic accountants, lawyers and computer forensic specialists.

Results Delivered

Organizations around the world trust our team to provide results. Clients include:

- Fortune 500 Companies
- Hedge Funds
- Banks
- Law Firms
- Manufacturers
- Technology Firms
- Universities

How do we reduce risk?

- Establish Effective Compliance Programs
- Perform Audits and Assessments of Compliance Programs
- Conduct Internal and Vendor Fraud Investigations
- Provide Training
